4. (Confidential - JMM) After consulting the Director's office, I arranged with Ralph Preston, Staff Assistant, House Appropriations Committee, for the Director to appear before the CIA "Special Group" in response to Chairman Mahon's request for a discussion of "what's going on in the Agency" at 4:00 p.m., Wednesday, 18 April 1973.

5. (Unclassified - JMM) In the absence of Senator Stuart Symington, I told Kathy Nelson, of his staff, in response to the Senator's earlier inquiry, that [redacted] was expected to come on board full time around 1 May 1973.

6. (Unclassified - LLM) Robert Hull, Department of State, called and said that Mutual of Omaha no longer offers the war risk coverage that we had discussed on Friday. Based on the advice of [redacted] Personnel, I told him the coverage is still in effect for us, giving him the probable reasons therefor. I passed on [redacted] suggestions that they explore WAEPA coverage, of which Hull was aware, or try to locate another insurance carrier willing to underwrite the risk.

Hull asked our informal reaction to identifying a portion of the post differential, which is paid as an incentive for service in hardship areas for exposure to risk of personal attack, as a method of providing: (1) additional compensation where this is a factor and (2) an identifiable sum for use in obtaining insurance coverage against the risk. I told him I would be glad to get our experts' reaction to his proposal.

7. (Secret - LLM) Colgate Prentice, Department of State, called in State's comments on the [redacted] for interested Members. See Memorandum for the Record.
